

Its a mad life!

The day in the life of ME

Up in the morning out the door by 7.30 to take my foster boy to the train station, back home again to shower get ready and so on...now its time for breakfast

On goes the radio all doom and gloom stabbings and shootings what a grazy world we live in...off goes the radio on goes the music, thats better!on with the tidying up!

I go up stairs it's bedroom time,cloths on the floor up they come bed made, cloths hung up, hair dryer away,thats better,into the bathroom, a quick wipe round with the jiff, tails on the floor, god teenagers
