

IT Support Available Now!

-->

IT Support Available Now!

We now specialise in supplying and supporting schools with IT equipment and systems. We offer a vastly diverse range of equipment and services including:

- Network Installations
- Server Migrations (Including moving from RM based systems to a more standard operating system)
- Mail Server Installations and Migrations (specialising in Microsoft Exchange)
- Remote Management
- Onsite Technical Support
- Technical Training
- Experts in Music Technology with 20 years music industry and education experience

Our technical staff has many years experience dealing with all types of ICT issues and support in all leading operating systems and applications.

Hardware

We are also able to competitively quote for all types of hardware required to run a school based ICT network:

- High-end Servers
- Cabling infrastructures
- AV equipment and Installation
- Wireless Networking
- Recording Studios, Multimedia Studios

If you would like any information, or would like to discuss this further, please don't hesitate to [contact us](#) [1].
