THE BABY BOOM

Welcome to my web site.

The Baby Boom

Hi, my name Becci i am 21 and a mother of two, Fran 4 and Neil nearly 2. I want to want to hear your views on the 2007/2008 Baby Boom.

In the last few weeks family, friends and acquaintances have shared there good news that they are expecting this year 2008.I love children and cant wait to be Auntie Becci its so exciting i want to do it for them. When i had Fran i was only 17 and had loads of support from everyone now its my turn to return the favours.

I think that 2008 will be the highest birth rate in a long time so many people are reproducing. Some of the pregnancies are wanted others are not some were planned others were accident, but its each person life and having a child is a life time commitment.

My appinion is that if you fall pregnant weather it was planned or not you should go a head with it and if u still feel the same after that you should then consider adoption or foster care at lest you gave that innocent child a chance.
