Home page for INGOT Questions

Please link the question pages you produce from this page. ie put the type of questions eg Word processing from Spain and link this to the page where the questions are located.

Use the site "How tos" if you need to eg insert an image. The site "How To" is found from Help on the main menu. eg go to content management and 37.

It is important to start using the How tos. If they are not clear tell me why and I can improve them. These need translating so that local users of the site can be more self-sufficient.
