## Levels and their meaning

Level 1 qualifications include GCSE grades D-G and Vocational Qualifications at Level 1.

Level 2 qualifications include GCSE grades A\*-C and Vocational Qualifications at Level 2.

**The core programme** consists of formally regulated qualifications that have been awarded through external Awarding Organisations.

**The honours programme** is designed to broaden experience. Elements can be externally or internally validated. External validation gets a higher value.

**The skills passport** is designed to provide employability skills that are not guaranteed to be assessed as part of traditional academic qualifications.

## Level 2 Vocational Qualifications are referenced to the European Qualifications Framework at Level 3.
