### What the schools say

"We have 30 feeder primary schools and 7 took part in the INGOT programme last year as part of our Specialist Schools Community Plan. There is a marked difference in the capabilities of those that took part and those that did not. We now need a strategy to enable all our incoming learners to benefit, levelling up attainment."

-- Elaine Delahunt, Assistant Headteacher

Up Holland Mathematics, Computing and Music College

"The children in primary schools that have achieved their Entry Level INGOT certificates are now demanding that we offer the Level 1 in Year 7. There is a clear effect on motivation and practical support for cross phase transition".

-- Mark Greenwood, Assistant Headteacher

Our Lady's Catholic High Specialist Mathematics and Computing School
