

## Battur's work done in October 2013

The Tasks currently working on in the order of highest to lower priority:

- \* - Implement ROC for two qualifications in the Markbook site.
- Implement dedicated admin page for principal assessors that allows principal assessors to register

units and create accounts for any group within a academy.

- Allow principal assessors to search for learners via Admin Page and check the groups and change password.

- Allow principal assessors to configure per school based behaviours such as force learners to assign

at least one criterion, force learners self-assess before submitting evidence and etc.

- Allow principal assessor to export the data for multiple groups of the school in one go within the

same sheet (need to change the order of units column in excel sheet from lowest to highest level).

- 1) Upgrade the Drupal core and contributed modules that we are currently using on local machine (2-3 day)

- 2) Research as to what have been changed in D7 in comparison with D6 (1 week)

- 3) Upgrade our custom theme "TheIngotsFluid" (just to make it work with D7) (2 - 3 weeks)

- 4) Upgrade our custom modules: (about 3 months)

- Mygroup module (1 week)

- Evidence module (1 week)

- TLM Tracker module (2-3 weeks)

- Scrapbook (E-Evidence) module (1-2 weeks)
