

New Learning Resources

There is a [new Moodle course](#) [1] available to support Unit 1 of the Gold INGOT. This is not compulsory, its entirely up to the Academy as to how its courses support the assessed outcomes. We encourage any "Moodlers" out there to take our work and improve it or provide something better. Making improvements to these course would be a good project for a Gold INGOT student.

There is now a new Moodle course for Bronze 3 Unit 1.
