

## Mini Project

### Audacity

[Click Here For A Link To The Website](#) [1]

### In This Portfolio You Will Find The Following Things...

- The Main Purpose...
- The Licence...
- How It All Began...
- How It Is Funded...
- The Main Men...
- The Competitors...
- How Audacity Always Wins...
- Getting Involved...
- Summary...

### The Main Purpose...

- To record live audio
- Convert tapes and records into digital recordings or CDs
- Cut, copy, slice or mix sounds together
- Change the speed or pitch of a recording

### The Licence...

GNU - General Public Licence

The licence was launched in 1984. The licence is often referred to as the GNU GPL for short. It is used by more than half of all free software packages.

### How It All Began...

It was Created on Tuesday 27th July 2002 by a man called Dominic Mazzoni while he was a graduate student.

### How It Is Funded...

Audacity is funded by:

- Donations
- Advertising on its website
- Product sales from their store
