General description

Working across 4 six month phases, prepare press releases at critical points - project announcement, availability of products, conclusion of the project. Develop PR channels and networks drawing on the international as well as national networks of the partners. Provide central support and co-ordination for a major conference/dissemination workshop in each partner country eg BETT in the UK, the biggest educational technology show in the World. Provide pictures and other publicity for the web site from meetings, the dissemination activities and from press articles. Contribute to improving the Web Site's search rank in search engines. Co-operate with the project evaluators to provide positive information for managers and end users on outcomes such as improved attainment levels or increases in motivation. Working across work packages to ensure that opportunities for public relations are maximised. Plan and manage the conference and workshop programmes.

Methods and pedagogy

Viral marketing techniques using internet networks, management principles associated with PRINCE 2 and the main project management.

Budget comments

All partners have time allocated for attending conferences and exhibitions and meeting with key personnel in identified dissemination channels. ES has additional time for coordinating the WP. Travel budget is designed to support attendance at key exhibitions and dissemination events byt all partners. There is a budget of 7000 Euro for printing publicity flyers, posters and advertising, 14918 Euros for paying for space at exhibitions and conferences. Work package coordinator will ensure that the budget is spent most effectively.
